Hobby-Expo, LLC Announces Plastic Modeling Partnership with IPMS CoMMIES

Hobby-Expo, LLC is pleased to announce a partnership with the CoMMIES (Colorado Modeling Militia Enjoying Sci-Fi) division of IPMS (International Plastic Modelers Society) to promote plastic modeling at the Rocky Mountain Hobby-Expo, which will take place on October 28th and 29th, 2017 in Denver, CO.

The CoMMIES, based in Colorado Springs, Colorado will provide beginning and advance plastic modeling workshops, hands-on plastic model make and take workshops and administer the show's model contest. Additional information on the CoMMIES may be found at www.CoMMIESmodeling.com

The mission of Rocky Mountain Hobby-Expo is twofold, first to promote and educate the public about family oriented hobbies throughout the Rocky Mountain Region and beyond by providing information and inspiration to new and existing hobbyists and, second to provide a cost-effective medium for hobby manufacturers to reach retailers and consumers via a single coordinated event.
